## TRUCKING OPERATORS: REVIEW SECURITY FOR VEHICLES AND STAFF

The Australian Trucking Association has urged trucking operators to **review security for their vehicles and staff** following what appears to be a terrorist attack in Berlin this morning.

Australia is not immune from terrorism. If you are in the industry and see something that doesn't add up, **contact the National Security Hotline on 1800 123 400**.

Our thoughts go out to the Berlin victims and their loved ones.
